****Electronic Payment Now Available****

Dear Insured:

We're excited to announce new ePayment options with Xpress-pay to provide you with a faster, more convenient way of making payments including the ability to make automatic recurring payments from your bank account or an accepted credit card. We're confident this will be a great addition to the service we provide you.

When your next bill comes due, simply visit our website www.associatedmutual.com and click the "Online Bill Pay" button to get started. You can use any device to pay, and also create a secure account to make future transactions even easier!

A few important things to note when setting up ePayments:

- Please be sure to select a billing date that is at least three day after the effective date of the policy.
- Recurring bills cannot be set up for the 29th, 30th, or 31st as those dates do not occur in every month on the calendar.
- When selecting the number of payments select "until I cancel" to avoid any future invoices being mailed to you.
- We accept MasterCard®, Visa® and Discover® cards to pay your premium due.
- E-check is also available.

As always, thank you for your business, and if you have any questions on using this new service please contact us any time at 845-434-4550.

Sincerely,

Associated Mutual Insurance Cooperative
